

## THRIVE FAQ's

### What is Thrive?

Thrive is a youth and young adult conference hosted by City First Church in Rockford, IL. The purpose is to equip students to discover life to the fullest through Jesus Christ! We were not designed to merely survive but to THRIVE in this life.

When we encounter Jesus, we believe it changes everything. There'll be intentional times of worship, powerful messages from world-renowned speakers, breakout sessions, creative elements, special musical performances, and ridiculous amounts of fun!

### WHEN is Thrive? WHERE is Thrive located?

Friday November 8 & Saturday November 9 , 2024

City First Church (5950 Spring Creek Road Rockford, Illinois, 61107)

### Who Can Attend Thrive?

Thrive is open to any 6-12th grade student!

### REGISTRATION INFORMATION FOR THRIVE:

Registration Fee: \$175

Sibling Discount: Full price for the first student, \$25 discount for siblings

Sibling Code: SIBLING

### What if I can't afford Thrive?

We realize this cost may not be attainable for each family, but we never want finances to be the thing that stops a student from coming on this life changing weekend. Therefore, we are offering fundraising opportunities as well as partial scholarships for those in need.

**Fundraising** - Students can buy a box of chocolate for \$48 upfront, and then sell those candy bars for \$2 ea (or whatever your student decides to sell it for) and can use the profit towards their Thrive cost. This is a fun and easy way to quickly cover your cost for Thrive!

**Scholarships** - *We do offer partial scholarships and ask that anyone who is seeking to receive a scholarship fill out our online form found at [clfonline.org/uncommon](http://clfonline.org/uncommon)*
