

Student & Parents/Guardians,

Camp is just two weeks away! Here's what you need to know:

Summer Camp: June 14-18
Registration Deadline: June 9
PROMO CODE: UNCOMMON

There is a link to register online at clfonline.org/uncommon if you haven't already!

Check-in will be held at the CLF lobby and will open at 3pm and close at 4pm on June 14.

****parents/guardians, if you would like to volunteer to help with check-in (greeting, loading luggage, or driving) please respond to this email.****

Please come with your paperwork filled out prior to arrival to expedite the process. A medical release form is required for all students and the permission slip is only required for those who are driving themselves, arriving late, or leaving early. Both forms are included with this letter.

Transportation: We will be taking students to Spencer Lake with two 15-passenger vans. If registration numbers exceed the number of seats available, we have additional drivers on standby with their own vehicles willing to transport students.

****If you would be willing to be an additional driver to transport students in your vehicle to AND from camp, OR would be willing to drive one of the 15 passenger vans, please let me know!****

We will be arriving back at CLF on the 18th, tentatively between 1-2pm.

Students may NOT drive themselves to camp without a signed sheet (attached to this email) from their parents. Parents must notify us if they plan on driving their students separately. If a student is going to arrive late to camp or leave early, Pastor Bridget must be notified ahead of time and the student must have a signed form by their parents.

ADDITIONAL INFO

Housing: housing will be assigned at camp. UNCOMMON will be housed together separated by gender and likely by grade. We may also be intermixed with some City First Youth students.

Color Competitions: Color Team assignments will be emailed out June 9th so students have plenty of time to collect clothing of that color. Each student will be assigned to a color team randomly. That means students may not be on the same team with their friends or siblings. We believe Color Competitions is a great way to create new friendships and is going to be so much fun!

Discussion Groups: Discussion groups will be separated by High School and Middle School. They will be intermixed between the youth groups attending.
