2026 Projects & Vision

# BEYOND MISSIONS

Beyond Missions is CLF's expression of obedience to the last command given by Jesus: "Go into all the world and preach the Good News to everyone." (Mark 16:15) We have formed partnerships with missionaries and ministries around the world to preach this Good News and partner with the Holy Spirit in God's plan to redeem the world. As you read the details of that vision in the pages that follow, join us in praying for God's kingdom to come here on earth as it is in heaven, that the whole world will be able to "taste and see that the Lord is good!" (Psalm 34:8)

## BEYOND MISSIONS

### RESTORING HOPE

#### **Casa Mayor Amor & The No Greater Love Farm El Salvador**

For over 3 years we have partnered with Casa Mayor Amor (No Greater Love Rehab) to build the only Christian drug & alcohol rehabilitation home in El Salvador. They started with just one men's home, and expanded to build a 2nd men's home. Last year they started rescuing women off the streets, and bought farmland to build a women's rehab facility & start a farm as a means to self sustain the expenses of the ministries. This year through BEYOND Missions, we are continuing our partnership to help them finish the women's rehab house and further develop the land for farming.

#### **Jeremiah's Crossing**

Jeremiah's Crossing is located in Babcock, WI and is a non-profit therapeutic horseback riding ranch. They serve children and adults with diagnosed physical, cognitive, emotional, and academic special needs at no cost to the riders or their families. BEYOND Missions supports Jeremiah's Crossing every month and this year we will be helping to support them with media content and visual storytelling. We are excited to highlight and share the testimonies about what Jesus is doing through this unique and special ministry.

## BEYOND MISSIONS

### INVESTING IN EQUIPPERS

#### Hispanic Church Planting: Central Wisconsin

Pastor Eneida & Pastor Eliana and their team have been making disciples and making an impact among the Hispanic population of central Wisconsin for more than a decade through a Spanish speaking church birthed as a part of CLF. A little over a year ago they launched a hispanic church in Colby-Abbotsford. They have vision to plant throughout Central Wisconsin. We believe that there is a great opportunity in central Wisconsin to reach the hispanic community for Jesus. This year we are partnering with Pastor Eneida & Pastor Eliana to help train and equip their team as they make disciples in multiple communities in central Wisconsin.

#### Outward Heart

Outward Heart was founded on the idea that wonderful “heart” work is happening in tons of ministries, yet too often that work never makes it to the public’s eye, limiting the ability for people to grasp the vision, share in the passion, and participate. Outward Heart comes alongside existing and emerging ministries to help equip them to effectively share their purpose and passion to ultimately honor God through their unique pursuit of the Great Commission. They do this through brand and program development, consulting, story-telling, multi-media production, and strategic communication. The Founders, Dave & Alissa Wied offer all this support completely FREE, and live as home missionaries. We are excited to invest into them as they invest into many ministries all around the world!

## REACHING THE UNREACHED

### LIVE|DEAD - Tajikistan - Gym BAM

4 years ago, BEYOND Missions partnered with LIVE|DEAD Tajikistan to buy a railroad car full of soybeans to launch a new extension of an existing BAM(Business As Mission). Those soybeans opened up doors to present the gospel to an entirely new sector and region of the country. This year we're focusing on Tajikistan again to help launch a new fitness & gym BAM. This gym BAM will create inroads into a demographic of people not yet reached by the LIVE|DEAD Tajikistan team. Launching this BAM will also create VISAs for more international LIVE|DEAD workers to come and live and make disciples all along the Silk Road.
