## UNCOMMON ATLANTA | June 9 -13, 2025

### Example Support Letter

Dear Friend,

I am so excited about this coming June! While many of my friends will be spending their summer relaxing with friends and family, I will be traveling with a team of students and adults from my church to Atlanta, Georgia. I have the opportunity to reach out to people with the love of God!

Our team will be working with a ministry there called City Takers. Our team will serve alongside City Takers staff assisting with homeless outreach, food outreach, youth outreach and other service projects. For more information about this ministry, you can go to their website [www.citytakers.com](http://www.citytakers.com).

I'm asking for your prayers and help in getting to Atlanta, Georgia. The entire trip will cost me \$800, so I'm sure you can understand why I might need help. I am asking you to pray about giving in support of this trip. Please know that this is not a test of our friendship, but it's because you are my friend that I feel that I can ask you and not worry that you'll be offended. Whatever you can do would be greatly appreciated! Thanks, too, for reading this "appeal" letter. I know you've probably received them before, but writing them is something I'm not used to yet. I'm looking forward to this trip as a life -changing experience for me, so I'm glad that you can be a part of it through your support and prayers!

Love,

P.S. You can make any checks out to Christian Life Fellowship.
