Example Support Letter

Dear Friends & Family,

I am so excited about this coming July! While many of my friends will be spending their summer relaxing with friends and family, I will be traveling with a team of students and adults from my church to parts of Wisconsin. I have the opportunity to reach out to people with the love of God!

Our team will be working with three different ministries. We get to serve locally by doing some ground clean up and small projects with Jeremiah's Crossing in Babcock, WI. Then we will travel to Milwaukee, WI to serve at a food outreach for a local community. Lastly, we will be serving alongside Foundations for Living staff assisting with community outreach in Waupaca, WI.

I'm asking for your prayers and help to be a part of this ministry team. The entire trip will cost me \$150. I am asking you to pray about giving in support of this trip. Whatever you can do would be greatly appreciated! Thanks, too, for reading this letter. I know you've probably received them before, but writing them is something I'm not used to yet. I'm looking forward to this trip as a life-changing experience for me and those I minister to, so I'm glad that you can be a part of it through your support and prayers!

Love,
